

MOTIVATOR

Bedshaker Model MV45 (4.5 VDC)

Place the MOTIVATOR under the pillow or mattress.
Wake up . . . without disturbing others.

Connect the 2.5 mm plug on the Motivator Bedshaker to any alarm clock or signaling device with a 4.5 Volt DC output jack such as the ILY (I Love You) alarm clock.

Motivator vibrates when alarm clock or signaling/alerting device is activated.
The built-in Automatic Thermal Shutoff with Automatic Reset ensures safe operation.

Two Year Limited Warranty:

Motivator MV45 is warranted to be free from defects in workmanship and material for two years from date of purchase. This warranty does not imply to any unit which has been used for other than its intended use, or has been subjected to misuse, negligence, or accident, or has been opened or serviced by anyone other than an authorized Global Assistive Devices, Inc. Service Center. Global Assistive Devices, Inc. may select to replace the entire unit rather than repair it. Before sending unit for service, check to ensure that it is getting the required 12 volts DC for operation. For service during the warranty period, return the unit, with proof of purchase date, in a secure package, insured, and with shipping charges prepaid. No C.O.D. packages will be accepted. Include your return street address and a note describing the service required. Enclose \$9.95 (check, money order, Visa, MasterCard, American Express, or Discover) for domestic shipping and handling charges. Other Countries please contact us for pricing.
